RE: AMENDED 12 DAY PRE-PRIMARY REPORT (04/01/2014-05/14/2014)(ID C00502088)

Dear Mr. Whyrick:

This letter is in response to an inquiry I received on behalf of my client, Corbett for Congress (ID # C00502088)

The inquiry requests clarification on \$15,363.51 in debts disclosed on an amended pre-primary report filed with the FEC.

The accrued expenses added to this report were for invoices received by the committee after the pre-primary report was filed. These invoices dated back to the period covered by this report and were related to mailers sent out by the campaign. Rather than reporting these invoices on the next campaign report, the committee elected to amend the pre-primary report to accurately reflect the date ranges covered by these invoices. Other costs associated with these same mailers were reported on the initial pre-primary report.

If you have any additional questions, please feel free to contact me.

Very truly yours,
